**District Counsel:**

**Administrator's Report:**

Still have not heard from grain bin company. Dave will call and if they can't produce soon we will seek to purchase a grain bin elsewhere.

Jack is trying to get the officer's club hooked up. He has dug 12' into the ground and still can't find the line. They dug for two days and now will move up to the parking lot and try to find it there. Hopefully this will be done this summer.
